

**PRESERVATION RACINE**  
Membership Meeting  
Monday, March 6, 2023  
7:00 PM  
The Main Project and Cafe  
1014 State Street  
Racine, Wisconsin

**LONGING FOR THE BEACH?**  
How about NORTH BEACH?

Preservation Racine President Pippin Michelli has put together a wonderful presentation on the history of the North Beach area of Racine. You'll learn about the erosion of the lake shore that was caused by early construction along Lake Michigan and about some of the people whose businesses and dealings contributed to this debacle. There was a bit of skullduggery (imagine that) involved also. You'll want to learn all about it.

Thank you to Janet Carter for discovering and recommending a new venue for this meeting. It's Deontrae Mayfield's Main Project and Café on State Street, across the street from the old Dania Hall. There's parking on the north side of State Street, as well as, in the public lot across the street. The café is located at the front of the building. The café opens at 5:00 PM for those people who would like to try their menu before our meeting. Beverages and snacks will be available for purchase. We encourage you to support our host.

The back room is large and has nice audio/visual capabilities.

At the April membership meeting, we will be voting on the slate presented by the nominating committee and any nominations from the floor for some of our officers and board members for the upcoming year.

The following names have been presented by the Nominating Committee at this time for your consideration:

Secretary: Karen Verboten  
Treasurer: Beth Roessler  
At Large Board Position #1: (Open)  
At Large Board Position #3: (2-year term) Larry Dickerson

Linda Schubert  
Program Chairman
