Jingle Bells! Jingle Bells! Jingle All the Way ... to the Preservation Racine Holiday Celebration at the Racine Yacht Club.

Welcome once again our friend and celebrated speaker, author of ten best-selling books, Rochelle Pennington. She will bring us one of her most popular presentations: *The Endurance*.

Pennington traveled to England and Scotland to research what has been known as “the greatest survival story in history”. It is the astounding account of Sir Ernest Shackleton's 1914 travel aboard the ship *Endurance* with his crew of 27. Known as “The Imperial Trans-Antarctic Expedition” the expedition was to perform a feat that no others had accomplished: to complete on-foot the crossing of the Antarctic continent. Before reaching land, their ship became trapped in rapidly forming ice 100 miles off the coast. The crew was able to overcome hardship, fear and adversity due to the remarkable leadership of Commander Shackleton. Through the years this journey has been an example of how ordinary people with the simple power of attitude can triumph. Their courage and perseverance will inspire and encourage you.

The holiday party with Rochelle at the Racine Yacht Club has been so popular with our members that it will now be a three-year Christmas tradition. The festively decorated Yacht Club, Rochelle enchanting us with her unique tales...plus the delicious treats provided by our members is the perfect beginning to the holiday.

Please join us for a night of celebration. Refreshments are potluck. We are asking Preservation Racine members to please bring an hors d'oeuvre, a plate of cookies or candies, or your own specialty to share for hospitality. Coffee will be provided and a cash bar will be available. Come and enjoy!

There will be a \$5.00 fee for non-members of the organization to attend.
